(Nominal 13.11"x13.11")  
(Nominal 33.3x33.3cm)  
3/8" Thick

**COLOR SHADE VARIATION**

Variations in color, shade, and texture are inherent in ceramic tile. Several pieces should be examined collectively prior to installation.

Grout Joint Recommendation: Approximately 1/4"

**APPLICATION**

Appropriate for interior and exterior floors and walls in freezing and non-freezing temperatures. Porcelain tile floors, like other types of glazed floors, can become slippery when wet. Take extra care when selecting a floor product that will be exposed to conditions such as liquids, grease, or oil. Always follow proper installation methods.

**TECHNICAL SPECIFICATIONS**

| TEST NAME   | ASTM TEST   | TEST RESULTS                         |
|---|-------------|--------------------------------------|
|  Abrasion Resistance     | ASTM C-1027 | V                                    |
|  Breaking Strength       | ASTM C-648  | 504 lbs.                             |
|  Chemical Resistance     | ASTM C-650  | Resistant                            |
|  Coefficient of Friction | ASTM C-1028 | Dry Neolite 0.67<br>Wet Neolite 0.60 |
|  Frost Resistance        | ASTM C-1026 | Resistant                            |
|  Scratch Hardness        | MOHS SCALE  | 9                                    |
|  Water Absorption        | ASTM C-373  | .20%                                 |

Morfos™ beautifully emulates the look of natural stone in glazed porcelain. Reminiscent of the glistening travertine used in antiquity, this series features chiseled edges, a textured surface, and a subtle color palette.

Morfos™ offers a variety of field tile sizes. In addition to full trim, the series includes a tumbled multicolor mosaic which provides several design options. The mosaic can be used as a field tile or can be cut and used as a listello. Individual 2"x2" mosaic pieces can be used as decorative dots. The series is suitable for residential as well as light commercial use.

Morfos™ is LEED certified and has a presence of at least 40% pre-consumer recycled content including mud and rejected unfired material.
